At the close of the services at the Methodist Church Sunday morning, Rev. John W. Wardlow announced that a Ladies' Home Mission Society would be organized at the church next Sunday afternoon at 3 o'clock.

Tom Mitchell was taken to the asylum at Bolivar this week by Sheriff John W. Maiden. The unfortunate young man has been in the asylum previous to this, and it became necessary to send him there again for treatment.

There was a good turnout at the meeting of Bayham Lodge No. 86 Monday evening, and the visiting knights from Crusader Lodge No. 212, Hollow Rock, were given a hearty greeting. There was plenty of work in every degree, and the work of the visiting team was highly creditable and greatly enjoyed by the members of Bayham Lodge.

The Republicans met here in mass convention Saturday. When the nominations for temporary chairman were made, it was clearly evident that the old Brownlow-Evans fight was to be renewed. However, the Evans faction, led by D. J. McRae, J. F. Dowdy and others won easily by a majority of nearly two to one, and G. B. Bain was made chairman and E. H. Dowdy secretary. What is known as the Hale slate was adopted from one end to the other. We understood that a list of the delegates would be furnished us this week, but this has doubtless been overlooked.

MRS. CORA PAHAL DEAD.

Mrs. Cora Pahal, wife of M. E. Pahal, died Saturday, March 7, at 6 a. m. at the home of her father, W. L. Berry. All was done for her that was possible by kind and loving hands and medical skill, and after a long illness with that dreadful disease, consumption, she fell asleep in Jesus from which none ever awake to weep.

The writer visited her frequently during her sickness, and always found her cheerful and happy. She had been sick for about three years, but bore her affliction with great patience and fortitude. We shall miss her, but our loss is Heaven's gain. Oh, how sad it is to give up our loved ones, and to think we will see them no more; but then, we should remember that she is only sleeping in the peaceful grave's embrace to await the resurrection morn. Trust in the Lord, dear friends, and some sweet day we shall meet Cora on the other shore where sickness and sorrow never come.

The funeral services were conducted by T. W. Pafford at the Methodist Church on Sunday following at 11 a. m., and her body was laid to rest in the Flatwoods Cemetery.

County Clerk W. D. Cooper has issued marriage licenses as follows: W. D. Wheatley and Sara Redick, E. F. Hatley and Angeline Allen, Henry Jones and May Crosnoe, W. D. Hollingsworth and Sara Rayborn. Colored—Charles W. Hayes and Adaline Hudson.

The weather has been spring-like for the past week, and everybody is busy planting gardens and sowing oats. Peach, pear and plum trees are in full bloom, and the prospects are good for a fair fruit crop.

Louis, the little son of William Pace, fell from the garden fence Monday and received a serious cut on his neck. Dr. J. C. Bain dressed the wound, and the little fellow is resting easy. Mr. Pace is sick, but not seriously so.

When Mr. Bryan said, "In the long run a party's strength must depend on the popularity of its policies and, measured by these, there is no doubt that the Democratic party is much stronger than it was either in 1896 or 1900," he voiced the sentiment of every true, progressive Democrat. There is inspiration for Democracy in every line of the interview Mr. Roswell Field had with Mr. Bryan, which was printed in yesterday's Tennessean.—Nashville Tennessean.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80

Regular Price \$8.50 per pair. To introduce We Will Sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS.

Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and hard to break with a special quality of rubber, which never becomes porous and which closes up small holes without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding In" sensation commonly felt when riding on a hard or soft road is overcome by the "Jacket Valve" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 10 per cent (thereby making the price \$4.32 per pair) if you send **CASH WITH ORDER** and enclose this advertisement. We will also send one metal plated brass hand pump and two Champion metal puncture clogs on full paid orders (these metal puncture clogs are to be used in case of intentional knife cuts or heavy gunshot. Tires to be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDY catalogue. **DO NOT THINK OF BUYING A BICYCLE OR A PAIR OF TIRES FROM ANYONE UNTIL YOU KNOW THE NEW AND WONDERFUL OFFERS WE ARE MAKING.** It only costs a postal to learn everything. Write it NOW.

Hygeno DIP AND DISINFECTANT
THRIFTY LIVE STOCK

The all-important question with the farmer and live stock raiser is how to produce the most best, pork or mutton with the smallest expense. The only answer is, prevent disease rather than try to cure it. Hygeno-dip and disinfectant is a powerful germicide and positive insecticide. Used occasionally as a dip and spray it will keep the livestock in a healthy and thrifty condition. Hygeno costs less than one cent a gallon when diluted and we can positively say it will cost you more if you do not use Hygeno than it will if you do. If your dealer cannot supply you with Hygeno, send us his name and we will take care of you and mail our Health Book and free sample.
